

## 2010 Queensland State Championships

A strong contingent of SQSA sabot sailors headed north to Yeppoon over the Queens Birthday long weekend to sail in the Queensland Sabot Championships. The wind was mainly light from the south west with plenty of shifts which is typical of a land breeze.

Lachie Robba in MYDAS TOUCH II had an outstanding series in the senior sabots to score a convincing win with superior boat speed and clever tactical decisions. He held off Trevor Koreman in COOKIE MUNSTER who was looking to upset Lachie's early dominance in the regatta with some very consistent sailing on the second day. Lily Geck in IMAGINE THAT surprised everybody by finishing third overall in her very first one up regatta. She just edged out Nick Eutick into fourth place, with Tom Siganto from Southport in fifth and Frazer Smith finishing in sixth overall. Dylan Baguley, Hayden Johnson and Ed Duhig rounding out the top 9 spots to ensure that SQSA sailors took out nine of the top ten placings.

Also showing a good performance was Carissa Bridge in BLING who sailed her best regatta yet. Maggie Bowden in PRETTY 'n'PINK showed great determination and skill when she was forced to sail in the senior division after her sister Christina suffered the flu and was unable to sail sheethand.

In the juniors, Southport sailor Ezra Pritchard in WALLYS WEAPON won the title from local sailor Harry White in RAPID FIRE with the help of experienced sheethand Carlton Smith. Nicole and Jack Carter sailing CLASS ACT continue to impress when they were edged into third place.
